## PROJECTS

### PYTHON : Tic Tac Toe game

Tic Tac Toe is a classic two-player game that is played on a 3x3 grid. Each player takes turns marking one of the empty squares on the grid with their symbol, which is usually X or O. The objective of the game is to get three of your symbols in a row horizontally, vertically, or diagonally.

WEBSITE [html ,CSS and JavaScript] : For managing events . I used html to create the body for the website , enhanced with CSS and made it more interactive with JavaScript.

### C Language : Movie ticker booking system

My system allows users to book tickets for movies at a cinema. The program typically includes a user interface where users can browse available movies and showtimes, select the desired seats, and pay for their tickets.
